CONTRACT SPECIFICATIONS

6. Description of the contract

Subject of this final design is sub-phase 1 of Phase II of the Blato Wastewater Drainage

Subsystem, which comprises gravity mains (sewers) in the Blato community on the Island of Korčula.

Waste waters from households and industry in settlement Blato today are uncontrolled released into the environment. Existing situation, in terms of wastewaters treatment, does not meet the modern sanitary and hygienic standards.

This works contract includes all necessary installation and civil works for the construction of gravitational channels k1 and k1-7-8 with all branches in length of 3.215 meter.

7. Number and titles of lots

Not applicable.

TERMS OF PARTICIPATION

8. Eligibility and rules of origin

Participation is open to all legal persons [participating either individually or in a grouping (consortium) of tenderers] which are established in a Member State of the European Union or in a country or territory of the regions covered and/or authorised by the specific instruments applicable to the programme under which the contract is financed (see also heading 22 below). All works, supplies and services under this contract must originate in one or more of these countries. Participation is also open to international organisations. The participation of natural persons is directly governed by the specific instruments applicable to the programme under which the contract is financed.

9. Grounds for exclusion

Tenderers must submit a signed declaration, included in the Tender Form for a Works Contract, to the effect that they are not in any of the situations listed in point 2.3.3 of the **Practical Guide to contract procedures for EU external actions**.

10. Number of tenders

Tenderers may submit only one tender per lot. Tenders for parts of a lot will not be considered. Any tenderer may state in its tender that it would offer a discount in the event that its tender is accepted for more than one lot. Tenderers may not submit a tender for a variant solution in addition to their tender for the works required in the tender dossier.

11. Tender guarantee

Tenderers must provide a tender guarantee of 21.563,03 EUR when submitting their tender. This guarantee will be released to unsuccessful tenderers once the tender procedure has been completed and to the successful tenderer(s) upon signature of the contract by all parties.

12. Performance guarantee

The successful tenderer will be asked to provide a performance guarantee of 10% of the amount of the contract at the signing of the contract. This guarantee must be provided together with the return of the countersigned contract no later than 30 days after the tenderer receives the contract signed by the Contracting Authority. If the selected tenderer fails to provide such a guarantee

within this period, the contract will be void and a new contract may be drawn up and sent to the tenderer which has submitted the next cheapest compliant tender.

13. Information meeting and/or site visit

The tenderer is strongly advised, but not obliged to attend the clarification meeting and to visit and inspect the site of the works and its surroundings for the purpose of assessing, at his own responsibility, expense and risk, factors necessary for the preparation of his tender and the signing of the contract for the works.

Clarification meeting will be held on 26th January 2012 at 10:00 hrs local time and site visit will be held on 26th January 2012 at 11:00 hrs local time at the following address: Municipality of Blato, Trg dr. Franje Tuđmana 4, 20271 Blato, Croatia.
